Business Incubator Programme

Have you always wanted to start your own business but don't know where to begin?

Are you the next big entrepreneur?

Have all the legal requirements prevented you from opening your own business?

If you have answered yes to any of the above, the 5 day / 30 hour Business Incubator Programme is the perfect tool to get you to take all the necessary steps in starting your own business.

The Business Incubator Programme includes step-by-step instructions and business tools; from drawing up your business plan to registering your company and complying with all the legislative requirements, and will ensure that your business continues to trade for a long time to come.
